Please make sure all supplies (with the exception of pencils) have your child's name printed on them so they can recognize their own supplies. This applies to any item sent in during the year. All items will be kept in the class so that their supplies do not get lost carrying them back and forth from school.

Please reuse and recycle. It is not always necessary to buy new supplies. If you have items from last year that could be used again, please feel free to send them in.
